

Please turn this card into the Strategic Prayer Initiative™ (SPI) Implementation Team, within the given timeframe, or to the SPI™ Implementer who you received this New Participant's Starter Packet from. If someone is already helping you form a Cord you can ignore this card.

- Following are the names of my finalized PrayerCord Members.
- I still need some help getting grouped together with 2 partners

Please email me or mail me a list of other men (for the men) or women (for the women) who also are still looking for one or both members of their Cord. I understand that I will need to prayerfully call one or more of these individuals from the list and ask if they would like to be in a PrayerCord with me.
