Our primary mission is to use research, Scripture, prayers for guidance, experimentation, and many counselors to help develop and refine models that are “undeniably effective” in moving large numbers of Christians to develop and maintain “good prayer lives.” Strategic prayers are one critical element of becoming more effective in fighting the spiritual battle, a battle against sin, evil, injustice, and for the eternal souls of hundreds of millions of women and men throughout the world. We are also working on something known as the **5Y80™ Objective**. SPI is working to mobilize 80% of the genuine Christians in the U.S. to have or develop a “good prayer life” and maintain it for five years and see what the Lord might do in response to our fervent righteous prayers. Men and women we are only asking you to start with 2 or 3 minutes a day, will you please take this super easy first step, for the sake our nation and for His kingdom. If you are His, please take on this challenge.
